NOTICE

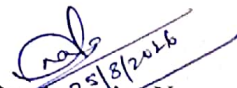

STRICT COMPLIANCE WITH PRESCRIBED COLLEGE UNIFORM

It has been observed that some students are entering and moving around the College premises without following the uniform prescribed by the College Authority, which is creating unnecessary confusion and affecting the discipline and decorum of the College.

All students are therefore strictly directed to follow the uniform prescribed by the College Authority while attending the College during regular academic hours.

Students requiring to visit the College in outer/non-prescribed dress for purposes such as admission, submission of forms, rechecking/re-evaluation, verification, collection/submission of documents or other administrative matters will be allowed to enter the College premises only after 2:00 P.M.

All students are hereby instructed to strictly comply with the above direction and cooperate with the College Authority in maintaining a disciplined and academic environment within the College premises.
